Heckerty Cooks - Character Description Activity

Heckerty Cooks - Fun iPad AND Android App!

Download app here:

[Heckerty Cook](#)

This interactive story is fun for multiple purposes:

- 1) **Encouraging Requesting** - BEST app ever for this purpose
 - Many pictures have multiple actions. For example, on the last page, patting the cat's full tummy, results in:
 - burping
 - meowing and stretching
 - farting!

2) Playing Guess Who Characters

- a) First, do a picture walk
- b) Next, have each student choose a character from the pictures
 - Note, I put the 5 main characters on notes in *Sticky* app (see below)
- c) Read the story, with each student listening for information about their character
- d) Have each student write 3 clues about their character, with the first clue more subtle, and the last clue more obvious
- e) Remaining students make guesses after each clue
 - Note, I made text notes for each set of clues, again using *Sticky*
